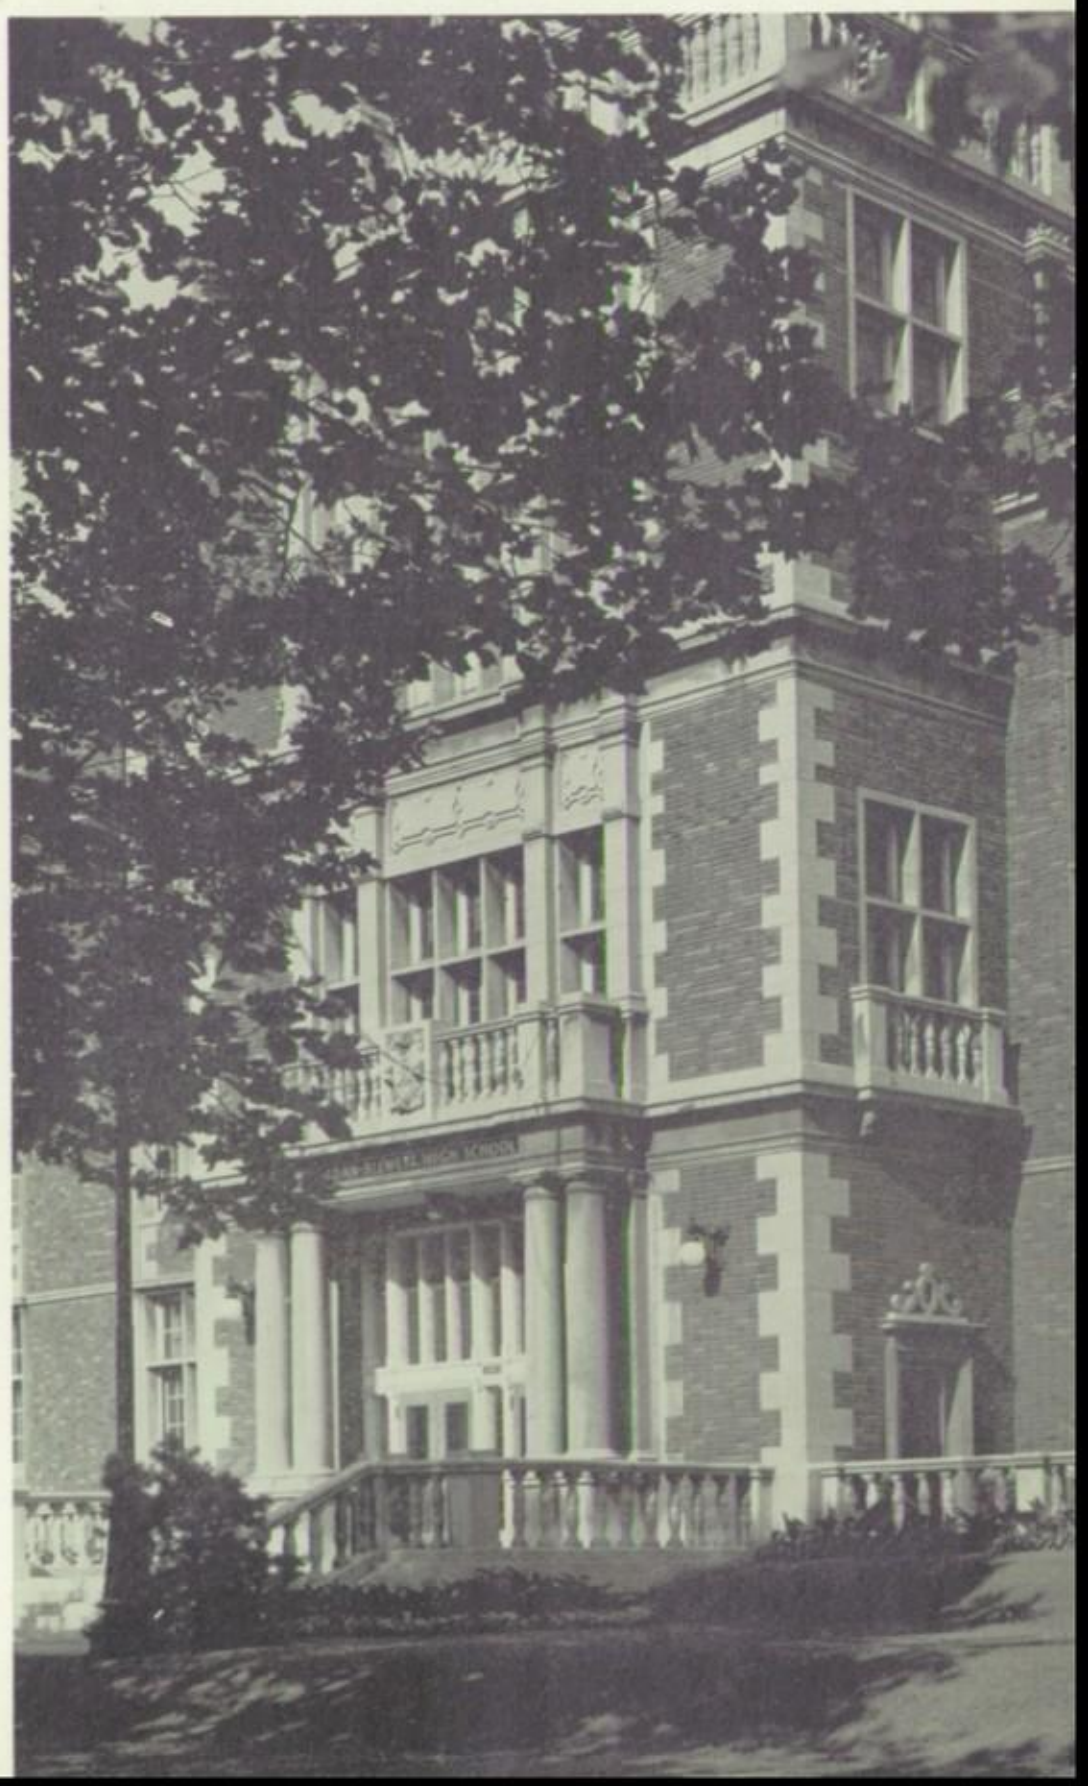
ICATION

TO

OUR PARENTS

As we look back upon our pleasant high school career, we cannot help but realize that our parents, in appreciation of our lofty aims to better ourselves, have made possible this furtherance of our education. In fact throughout our entire education, they have aided, encouraged, and counseled us, enabling us to realize the full value of this pursuit of knowledge. With loving care they have unselfishly done their utmost in order that we, their children, be better equipped to handle life's problems in the future generation that will be ours. It is this desire to give to their sons and daughters those opportunities that they perhaps were not fortunate enough to have, which causes us to look with filial love and devotion upon the mainstay of our lives, our parents. Thus it is only fitting that we humbly dedicate this yearbook as a small token of our appreciation to our parents whose fervent wish for our success will be fulfilled.



FOREWORD

During the past months, the Reflector staff has been busy preparing the 1951 Reflector for press. Each section has been combined into a publication that we hope will truly reflect the activities of the past year. We have attempted to make this edition one that will be of interest to everyone and depict a more accurate cross-section of the student body. We feel that the numerous photographs and articles included, together with your cherished memories, will recall many pleasant thoughts of your life at Soldan-Blewett.

The Reflections of the Past

IN MEMORIAM

MISS MABEL V. WOOD

In view of the passing of our beloved friend and teacher, we wish to openly commend all that she did for us, her students and admirers.

Miss Wood taught at several elementary schools, Cleveland High School and later, Blewett High School before coming to Soldan-Blewett. She was known among her friends and colleagues as a person well educated in the field of physiography, which she taught here at this school. During her busy career as a teacher, Miss Wood was constantly widening her interests through study, travel, and the various organizations in which she was active. She was president of the St. Louis Nature Study Society, a position attained by her love of the out-of-doors combined with her willingness to share her wealth of knowledge and experience.

Long cherished will be the memories of her friendly guidance and noble life.

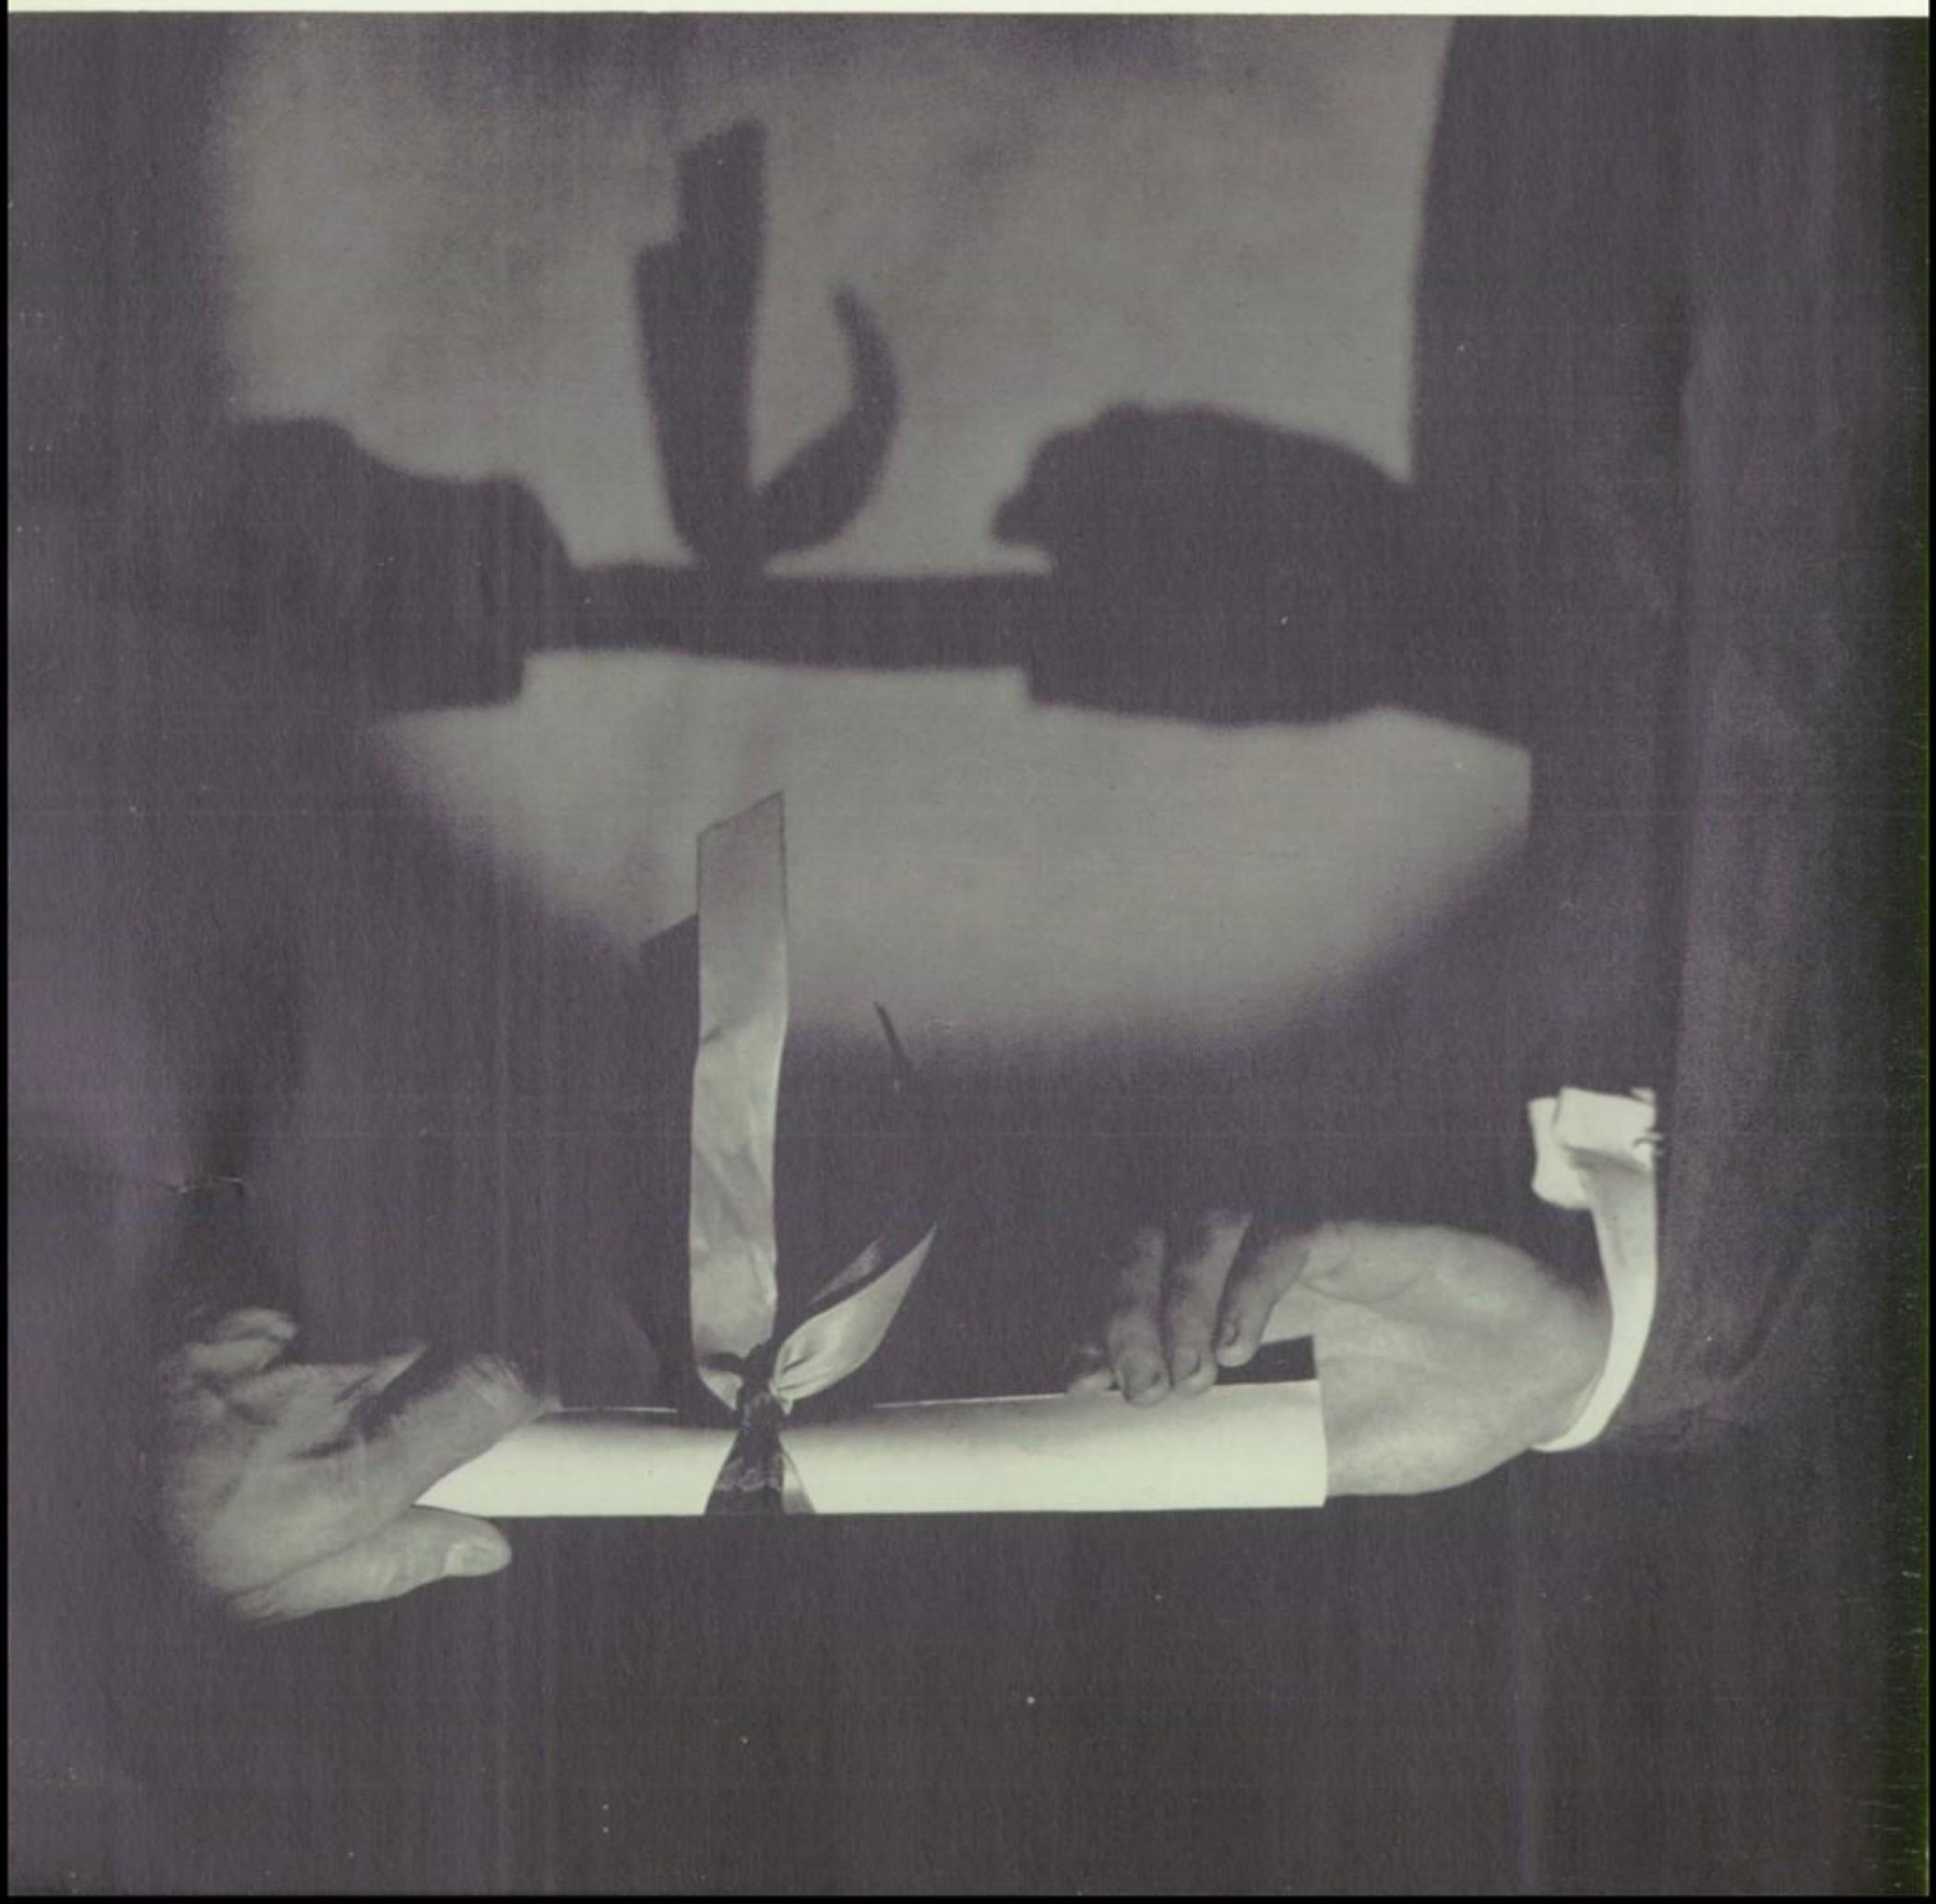
SENIORS

As we, the seniors of 1951, glance back upon our four years of high school we have many memories to recall. Although our freshman year was spent at different schools, we have had three years to combine into one strong student body.

We have had an opportunity to establish the Student Council, to write a school song, choose school colors, and to build many new customs.

Realizing that the hours filled with work and pleasure at Soldan-Blewett will leave an indelible mark upon our future success, we have tried to build a world of brotherhood and peace.



Class Banner—January, 1951

Since the achievement of world peace is one of the most important problems faced by the world today, the Class of January 1951 kept this purpose in mind in designing their banner. Irwin Sorkin, the originator of the design, has very definitely expressed this idea suggested by the motto, "Unity, Road to Peace."

The white dove represents a promise of peace sent to us by God. The ribbon which the dove carries ties the heart and soul of man together. Through earnest prayer to God we will be rewarded with peace.

The United Nations flag depicts efforts to attain unity. We have gained unity in our country. The United States itself is a group of forty-eight states successfully united under one flag, one for all and all for one. We are desperately trying to unite all the world to form an everlasting peace.

The clouds show lack of harmony and the dark shadows hide the road. In the background white clouds are seen which show that the darkness will vanish eventually. The world, which is now in a troubled state, is shown in dark colors. The road is winding and wavering because we have not yet found a straight road to peace. There will be a hard struggle, but warmth in color is suggested because it will lead us to our ideal — A world united in peace.

Class Song — June 1951

Words by Marlene Shapiro and Senior Song Committee
Music by Kay Sue Greenwald and Ruth Zweig

Seniors marching forward
To build a better world
Onward to the future
Our banner flies unfurl'd.

Our path is set before us
And follow it we must
Be good citizens always
For the world is in our trust.

Truth, Honor, Freedom, Courtesy,
A light for all to see
Reveals that truth is power
And character, destiny.

Seniors marching forward
To build a better world
Onward to the future
Our banner flies unfurl'd.

ACTIVITIES

Without a doubt the extra-curricular activities are among the most important functions of a high school. Especially at Soldan-Blewett can one see the significance of the various organizations. In our school, which is made up of many religions and nationalities, these groups produce a feeling of brotherhood and respect for our fellow students' beliefs and ideas. Through these activities, we have learned to develop our creative abilities with the help and efforts of the faculty sponsors. Among other things that we have gained from the clubs at Soldan-Blewett, our lasting friendships will remain high on the list of importance.

Spring Term

Spotlight

Spotlight, the Soldan-Blewett newspaper under the supervision of Miss Helen C. Koch, is published by the Journalism classes, terms 7 and 8, with the high hopes of building school spirit and raising the morale of the student body. The paper serves as the eyes and ears of the school and covers as many phases of school life and happenings as possible.

The staff and cubs compose the two classes. The staff publishes the paper under trained literary and athletic editors, writes the columns, and supervises all the submitted material. The cubs are trained by the sponsor and staff members. They serve as reporters, learn the mechanics of journalism, help write headlines, and train themselves in all fields so as to be able to take over the paper in their second semester.

The classes are conducted as far as possible as a miniature newspaper office. Text books are assigned, reporters seek interviews, and each semester the classes visit a large city newspaper plant where they see the plant in action in its various fields.

Class members do all the writing, typing, proofreading, pasting the dummy, and as many as are free return during the seventh period to complete all the unfinished office chores.

Each journalism member is selected on a scholastic and citizenship qualification basis. Each is taught the essentials of a good reporter, keenness of observation, accuracy, loyalty, thoroughness, promptness, dependability, friendliness, courtesy, and a sympathetic understanding of people.

Miss Koch is faculty sponsor and Miss Brown, the business manager.

The Reflector

We of the yearbook staff have thoroughly enjoyed all the work necessary to bring you this record of your activities here at Soldan-Blewett with the hope that it will serve to remind you of pleasant days spent within these halls.

Much work is entailed in the production of such a publication, possibly more than many realize. In the fall term the staff is selected from among the students and the planning of the book begins. Different duties are assigned to the staff members thought best qualified for them. Picture schedules are arranged, layouts and cover design selected, paper and printing styles chosen, and all the other details necessary for a fine publication ironed out.

With the coming of spring the actual production begins. Editorial copy is written, edited, set up by the printer, proof-read, and dummy sheets returned to the printer. Pictures are taken, their identifications verified, and sent to the engraver where plates are made. The subscription campaign gets under way and receipts collected by the Agora representatives. Then, after a short wait during printing, comes the result of all our efforts, a 1951 REFLECTOR fresh off the press.

THE JOHNSON RAG

A Cappella Choir

"Music," wrote Carlye, "is well said to be the speech of angels." Believing this to be true, the seventy members of the A Cappella Choir are always in their places promptly at 8:15 each morning. This hand picked group is the most advanced of the many choral groups of Soldan-Blewett. Under the able leadership of Miss Thym, the Choir spends a large amount of time studying all forms of music. During the school year, the group participates in many extra-curricular activities including school programs and radio broadcasts.

During the days preceding Christmas, the Choir carols through our own halls and makes annual visits to the Hotel Statler, Union Station, and the Merchants' Exchange to carol on behalf of the Christmas Carolers Association. The group also made a special Christmas recording for Station KXOK.

Boys' Glee Club

The Boys' Glee Club, which is a senior choral group at Soldan-Blewett, has a membership of forty-five boys. It has a very capable sponsor, Miss Thym. Realizing that enjoyment and relaxation are necessary for the fullest appreciation of school life, the Boys' Glee Club attempts to fulfill these requirements. Many boys who join know little about music, but after a few terms they become fine singers. The boys agree that they acquire a finer sense of music appreciation through their study of music.

The Boys' Glee Club takes part in many public performances such as the annual Music Concert, the Inter-Group Conference, the annual operetta, and various programs before the school and Mother's Club.

The Boys' Glee Club at Soldan-Blewett is recognized as one of the outstanding boys' choruses in St. Louis.

Senior Chaminade

Have you heard the beautiful sounding notes flowing through the ventilators during period four? These notes emanate from the Senior Chaminade girls who work diligently every day.

The seventy girls, under the leadership of Miss Thym, are very enthusiastic about their singing. Each girl strives to achieve the beauty of tone quality and lovely group singing that has meant true pleasure to the members themselves and the groups they have entertained.

The Senior Chaminade has participated in several school programs including a concert and a Christmas program where traditional carols were sung. The group also takes part in the annual Music "Hello Day" Party for all music groups.

Each day, during the third period, you can hear the voices of the girls from Junior Chaminade. As for their activities, which keep them very busy, they rehearse for operettas, plays, and different programs for the school, but it is not all work and no play, for the members plan social affairs for themselves and participate in the other music socials.

The name Chaminade originates from Madame Chaminade, who was the first woman to be recognized as a composer of note. She was a member of the music sorority, Mu Phi Epsilon, the same one to which Miss Thym, the director, belongs.

The Junior Chaminade has been very successful and has become a great asset to the school.

SONG SHOP

Vocal Ensemble is a singing group under the leadership of Miss Thym. This group meets five times a week and is composed of boys and girls. Not only do they sing, but they hear records of both modern and classical music. This group of eighty-nine members is for students of all terms. Not only do they sing in unison to learn tone blending but also in parts. The President of Vocal Ensemble takes part in the "Music Cabinet" which consists of the presidents of six groups plus the sponsor to discuss the problems of the groups.

Junior Chorus

Junior Chorus is not the least important vocal group at Soldan-Blewett. Most students join this group in order to qualify later for membership in Vocal Ensemble, Junior and Senior Chaminade, Boys' Glee Club, and A Cappella Choir. Miss Thym, the sponsor, has dicovered a great amount of talent in the freshman songsters. The sixty-five members meet three times a week and study fundamentals of music in addition to regular vocal work. So, if you like to sing with a wonderful crowd of boys and girls, come and join the Junior Chorus.

Concert Band

Membership in Soldan-Blewett Concert Band is attained by examination. The Board of Education furnishes the large instruments, uniforms, and music. Students furnish the smaller instruments. The Concert Band meets daily in the "A" period. Every member of the band is also a member of the Band Advisory.

The student assistant director, Jerry Rosenblum, has been very active and helpful in building a good organization.

When there is need for an orchestra, the strings from the intermediate group combine with part of the band. The instrumental director, R. D. Sorrells, is working every afternoon in the elementary grades of four schools. This promises to rebuild the orchestra and band groups which have been falling off in the past two or three years.

Dance Orchestra

with Intermediate String Group

The Soldan-Blewett Dance Orchestra is a group of Concert Band instrumentalists combined with strings to form a dance orchestra club. Rehearsals are held weekly after school. Membership is voluntary and a high scholastic standard is maintained. The director, Mr. Sorrells, has had a wide experience in dance, radio, and show work. He is a member of the orchestra and arranging staff of the St. Louis Municipal Theater Association.

The intermediate string group is the only active group of strings at Soldan-Blewett. There have been few replacements in recent terms and the Senior Orchestra was discontinued this term as a result of the decrease. However, the instrumental program is building up again. Mr. Sorrells is working personally in several grade schools in the area. Some of these elementary school instrumentalists combined with the Concert Band to play for the Easter Sunrise Service at Forest Park.

MONEY TALKS

During the second period each morning, a group composed of students from each advisory group and under the sponsorship of Miss McDermott meets in room 211 to transact a part of the financial business of the school.

This group is known as Agora, which is the Greek word for "meeting place." As can easily be seen the name is very proper because room 211 serves as a meeting place for the student representatives to transact their business.

The Agora representatives sell the Spotlight and Reflector as well as various athletic tickets, and receipts are turned in during their daily meeting.

To simplify the collections, the group is divided into ten teams, each of which is headed by a captain. The members of each team turn in their money to their captain, who in turn deposits it with the tellers.

In order to provide experience and to secure the benefits of training in good citizenship; to encourage the spirit of co-operation; to strengthen our loyality to the ideals of our motto; and to promote the general welfare of our school, the students of Soldan-Blewett High School established a Student Council.

The Student Council consists of one representative from each advisory group. It meets every other Wednesday to discuss and attempt to solve student problems. All business is conducted in accordance with the rules of parliamentary procedure.

The Council has completed its first year of existence and has been successful in its projects. With the help and co-operation of the student body, it will continue to achieve success in its ventures.

Service Club

Fall Term

The Service Club, under the sponsorship of Miss Higgins, is composed of students who are willing to give up one study hall a day to be of some service to the school. Although each job requires only a small effort on the part of the student, combined together, they help produce an efficient, smooth running school plant. The Projectionists' Service, which is under the supervision of Miss Rowan and Mr. Lyon, also is a part of this organization.

Projectionist Club

The Projectionists' Club, under the capable sponsorship of Mr. Lyon and Miss Rowan, operates all the audio-visual equipment owned by the school. The members, in order to run movie projectors, record players, and the public address system, must maintain at least an "M" average. During the fall term, the Audio-Visual Department of the Board of Education paid the club a high honor by recognizing Soldan-Blewett as being one of the schools not damaging a single foot of film during September and October. The group instills a sense of responsibility in each member.

Art Appreciation Club

The Art Appreciation Club was organized for those who wish to further their knowledge and experience in the various fields of art. Viewing nature and museum masterpieces aid the individual in gaining additional skill. The experience of Mr. Gronemeyer, the sponsor, and of the many students who have studied under him the past few years, give the beginner an understanding of art that will help him in the future. Whether their field be advertising, designing, or illustrating, all will find a place in this group.

FIRST ROW: Schneider, Grimm, Williams, Gibbon, Sherman, Goldberg, Padratzik. SECOND ROW: Martin, Weeke, Krohn, R., Krohn, M., Weeke, Hoerr, Seltzer, Schwartz. THIRD ROW: Mr. Gronemeyer, Schwartz, Trupiano, White, Rubenstein.

Junior Red Cross

The Junior Red Cross is an organization in which the members volunteer to work for the Red Cross. The group has been in existence many years, working hard on the various projects. They have been trained and receive much credit for their making of nut cups, tray covers, and various other articles to help brighten the lives of the patients in the Veterans Hospitals. During the Christmas season they prepare and fill stockings with many gifts for these patients. The group derives much satisfaction in working for so worthy a cause.

Magic Club

The Magic Club, under the able sponsorship of Mr. Forsman, is dedicated to creating an interest in magic as a hobby. The club boasts several very skillful conjurors. To provide both practice for its members and entertainment for its audience, the group gives several performances during the year at which each member displays his skills. At the meetings, the members each have an opportunity to demonstrate his pet tricks and also to learn more about this very interesting field. The club hopes to welcome many new members into its fold all with an interest in magic.

FIRST ROW: Gilbert, Starr, Rubin, Monteith, Mr. Forsman. SECOND ROW: Felker, Dewhirst, Shepard, Meredith.

Fall Term

FIRST ROW: Meyer, Nystrom, Simpson, Axelrod, Poole, Silvey, Williams, Wood. SECOND ROW: Loewenstein, Rosen, Johnson, Schwarzbart, Meredith, Seltzer, Dobkin, Schwartz, Brink, Miss Lucas.

Radio Production

The radio production class, under the direction of Miss Gertrude Lucas, studies and uses the techniques of modern radio. The members of the class wrote scripts and several were presented to the student body here and also to other schools through the Board of Education station, KSLH. At KSLH the class presented "Why the Chimes Rang" as a part of a series of Christmas programs given by the high school radio workshops. Some members had parts in other programs at KSLH aside from the class work. More time can be spent in preparations for programs there using all the modern facilities which are most adequate. New methods were used here at school for the United Nations program and for the Christmas program. Instead of speaking the parts directly from the stage, the programs were recorded on tape and played back at the performances, with the members acting out the motions. This eliminated all microphones which detract from the stage setting. An interesting subject, radio production teaches and strives for perfection in radio acting.

Ha Ivria

Ha Ivria, the Hebrew cultural club, observed its twenty-first anniversary this year. Under the leadership of Mr. Biegelsen, the club has continued to carry out its plan to better acquaint the members with the life of the Mediterranean peoples, Hebrew culture, and literature.

At each meeting one of the members presents an informative talk concerning the people of the Near East, particularly Egypt, Syria, and Palestine, followed by an open discussion. A book report or a report on the origin of holidays is sometimes given. Often the members sing Hebrew songs, which are enjoyed by all. For the United Nations Project this year, Ha Ivria was assigned Israel. The decorations in their room varied from the huge Israeli flag to maps, charts and needlework which illustrated the home life of Israel.

Every term a social affair is given to which all members are invited.

Dramatic Guild

Fall Term

Stage lighting, directing, make-up application, scenery construction, dramatics, play writing, and costume designing, in fact, all the various divisions of the theater, are studied by the Dramatic Guild under the sponsorship of Miss Gertrude Lucas. This year's activities included a series of one act plays written, acted, and directed by the members themselves. A group of short skits, and several reports on productions given by other groups were also included in the year's calendar. A highlight of the year was a feature article in the Globe-Democrat on the activities and productions through the years as well as plans for the future.

Distributive Education Club II

The Distributive Education Clubs have become very active at Soldan-Blewett this year. Aside from their activities, which train the members to take their place in the business world, the retail selling classes are members of the Distributive Education Club of Missouri. This spring they attended the State Retail Convention at which they presented a miniature window display.

Under the supervision of Mrs. McCoy, the members practice selling techniques, window display, and study management of retail stores. In connection with the school course, the students secure part time jobs. Here, they can put into use that which they have learned in school, and, at the same time, receive practical experience early in their careers.

Pep Club

Fall Term

The Girls' Pep Club is one of the school's most active organizations. Through working and playing together in the Pep Club, the girls at Soldan-Blewett become better acquainted, friendlier, and more enthusiastic. Each girl strives to create school spirit and spread it throughout the student body.

The members are divided into committees: The Entertainment Committee, which selects the games and entertainment for parties; The Food Committee, which plans, prepares, and serves refreshments; The Decoration Committee, whose members decorate for parties in the spirit of the event; and the Business Committee, which attends to all correspondence not taken care of by an officer.

Girls of every term are eligible for membership and are invited to join as soon as they enter school. A Welcoming Party is given for all Freshmen girls each term to introduce them to the club and its members. The Entertainment Committee directs games that soon puts everyone at ease to enjoy themselves and the refreshments prepared.

Each year, aside from their regular activities of selling school pencils and giving various affairs, the girls like to work on some special project. This year, they have decided upon a seal for a uniform school button for Soldan-Blewett students to wear.

Probably the most looked-forward to activity is the Letterman's Party. This affair is held every term to honor the Senior Lettermen and the lettermen of the preceding season. The members put forth their greatest efforts to make this party the best in entertainment, food, and enjoyment.

Lots of luck to a swell gal.

Fleur-de-Lis

Parlez-vous Francais? If you answer "non" or "oui" you are eligible for membership in the French Club, or the "Fleur-de-Lis," as it is called. Students who are interested in enjoyment supplementary to their class room knowledge of France are invited to be members of the "Fleur-de-Lis" which meets at the close of school every Tuesday for a little informal get-together. The members of the club gather to discuss the language, people, and customs of France, to play games, sing songs, listen to Victrola records, see movies, go on trips to the Art Museum, and, occasionally, go on a picnic, or give a party.

Tutoring Club

Every morning, a group of students, under the leadership of Mrs. K. Chambers, gather together for the purpose of providing aid to any student in any subjects he needs help. Latin and Algebra are predominant among the subjects most often asked for, especially in the lower terms. After the first marking period, the members are kept very busy with many requests for tutoring.

The Tutoring Club not only supplies the helping hand needed by some students, but it facilitates the making of friends and acquaintances. For a group so young, its accomplishments are tremendous. The students of the school, who have been helped by this organization, are grateful for the time and effort given by the members of the club.

SPORTS

Through the enthusiastic support of the student body at Soldan-Blewett our teams strive to bring honor and the thrill of achievement to our school. At the many athletic events sponsored by the school, our teams are cheered on by a large percentage of the student body. Perhaps only here can we find a true picture of that intangible force, school spirit.

To the boys who have spent their own personal time and effort in training for, and participating in competitive sports, we give our support and our whole-hearted thanks.

WOODY HATFIELD
Head Coach

Football

Approximately sixty boys turned out for football last fall. With many of his former stars gone, Coach Hatfield had his work cut out for him. Added to our already fine coaching staff this season was Mr. Ray Cliffe who took over supervision of the Tiger line. He held this position formerly at Country Day School.

Among the group of hard working fellows who went out for the sport were these returning lettermen: Captain Bob Diekman, Jerry Raskas, Eddie Rosen, Dean Melton, Jack Krekeler, George Anastas, Frank Luzenske, Tom Bianchi, and Joe Wooden.

Soldan-Blewett opened the season at University City. Here the Bengals lost to the powerful U. City eleven, 19-6.

Our next encounter was at East St. Louis. Here the hard-fighting Tigers held East St. Louis to a single touchdown in the first half, but in the second half the East Siders capitalized on our inexperience and won by a score of 39-0.

SUB-BASEMENT

FIRST ROW: Duke, Anastas, Luzenske, Diekman, Capt. Gross, Rosen, Wangelin, Krekler, Bowen, Burton. SECOND ROW: Becker, Tamin, Kravitz, Orsech, M., Wooden, Capt. elect, Siegel, Melton, Boraz, Raskas. THIRD ROW: Schwartzbart, Brooks, Hoeferlin, Bianchi, Boufides, Wieters, Koester, Hart, Signorelli. FOURTH ROW: Stroud, Ass't. Mgr., Orsech, W. Suchart, Head Mgr. Mr. Hatfield, Coach.

Football

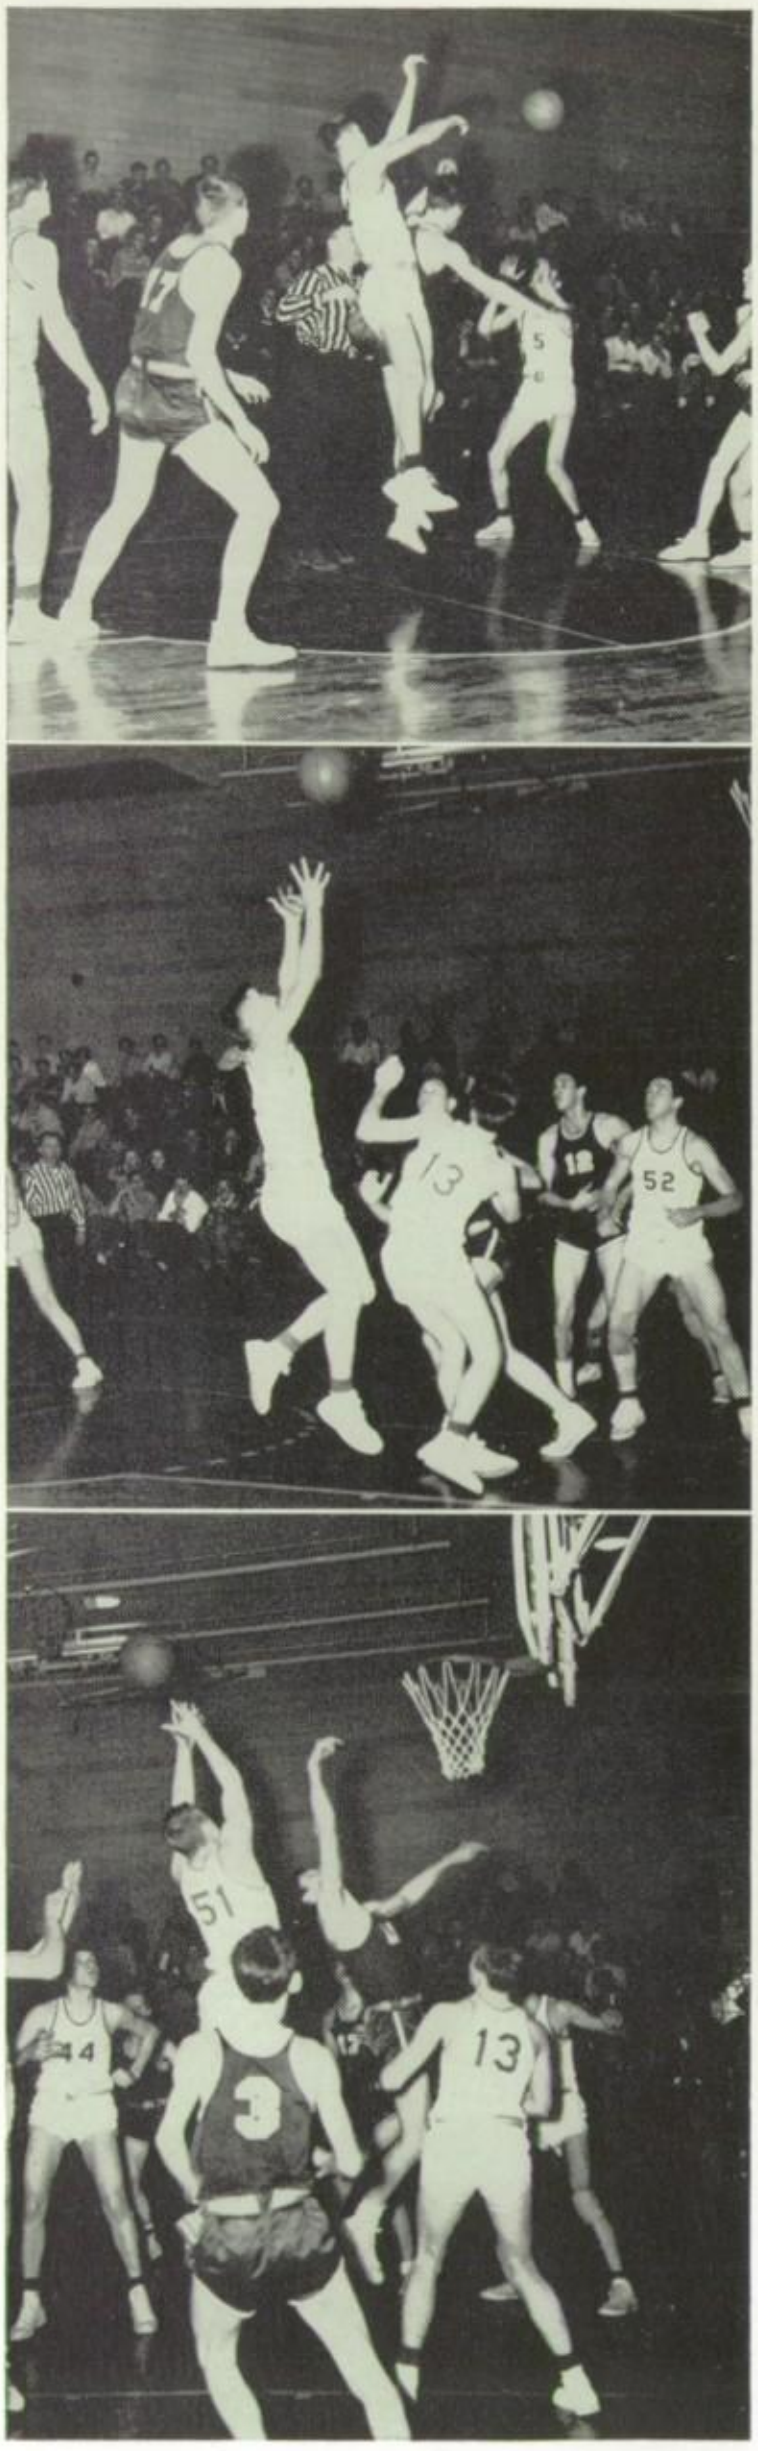
Soldan-Blewett then played its first league game, against McKinley. The Tigers, sparked by halfback Eddie Rosen, presented a strong defense, but their inability to cross the goal line brought a 12-0 loss.

In their next game the Bengals were handed their worst defeat of the season, 45-0, at the hands of powerhouse Beaumont. The team's next effort was its best. Although showing great spirit, the Tigers succumbed to Cleveland, 19-6.

On a near zero night our eleven put up a great fight but were downed by Central, 12-0.

In their final game of the season, the Tigers lost to Roosevelt, 25-6. The Soldan-Blewett touchdown was scored on a terrific run by Quarterback Wally Orsech.

Twenty football men were awarded letters. They were Joe Wooden, Captain, '51; George Anastas; Nick Boufides; Bob Diekman; Jack Krekeler; Frank Luzenske; Dean Melton; Dave Wangelin; Harold Boraz; Wally Orsech; Jerry Raskas; Eddie Rosen; Charles Signorelli; Tom Bianchi; Cornell Bowen; Eddie Duke; Matt Hart; Bob Grose; Marvin Orsech; and Kenny Smith. Ed Rosen and Frank Luzenske gained recognition by receiving Honorable Mention in the annual All-District selections of a local newspaper.



THE TIGERS IN ACTION

Basketball

The Soldan-Blewett Basketball Team, although it could only salvage three victories out of seventeen encounters, showed fight throughout the entire season and consistently worried its opponents. The majority of the squad played on last year's "B" team.

The team opened its season with the traditional game against Principia. In this first non-league contest the Tigers ran rings around the Principia defense to win, 51-38. Top Bengal scorers were Monroe and Mathews with 16 and 12 points respectively. In their second non-league game, however, the powerful Dragons of St. Mary's pushed the Tigers back, 42-32. The Soldan-Blewett five next took a heart-breaking loss at the hands of University City, 41-39. The team fought hard to tie in the closing seconds, but was finally defeated by a margin of two points. In their next game the Bengal Hoopsters lost to Brentwood, 62-51. Big Bob Reiter did much to down the Tigers in this affair by scoring 30 points, while Soldan-Blewett's Bill Mathews dropped 18 points through the hoop. Another loss followed as the Tigers dropped to McBride, 47-38.

Opening their league season, the McKinley Goldbugs edged out a fighting Soldan-Blewett quintet, 37-34. A non-league loss to DeAndreis followed as the Wildcats tamed the Bengals, 42-36.

Entering the Normandy Tournament, the team resolved to do better and succeeded as it upset Wellston in a brilliantly played game, 44-40. Victory cheers ceased, however, when the boys lost to Brentwood for the second time this season, this time by the score of 57-46.

Returning to league play, Coach Frankenberger's boys received another heart-breaking defeat from Southwest, 59-58. Once more Soldan-Blewett needed to buckle down. The chance came one week later against Hadley. The team completely outclassed the Hornets, 53-35. Two immediate losses at the hands of Roosevelt and Beaumont followed. The Rough Riders won, 48-45, in a thriller, while Beaumont smashed the Tiger defenses, 62-37. The Bengals finished the season as they lost to the C.B.C. Cadets, 44-33, to Central 66-47, and finally to the Cleveland Dutchmen, 52-33.

The squad won one game and lost six in league play to capture fourth place. They scored a total of 677 points during the season, while the opposition scored 772 points. Bill Mathews received honors from two local newspapers for his fine showing throughout the season. He was also voted to the Public League All-Opponents Team.

STILL HOPING

Things didn't look too bright for the Soldan-Blewett Baseball Team this year. Almost an entire team graduated last year and the squad was composed of new boys working together for the first time. With the only returning letterman, Bill Mathews, as captain and the coaching chores turned over to Mr. Cliffe, the team began practice in preparation for the league season. After losing their first two non-league encounters to Mercy and McBride, the Bengals captured their first victory against Principia, 4-3. This game featured a 330 foot home run by second baseman, Ron Slawski to tie the score. Later the winning run crossed the plate.

With the opening of the league season, the Tiger Nine absorbed a 9-0 loss to Cleveland and then held the powerful Beaumont Blue Jackets to four runs as they lost, 4-0. The squad took a beating at the hands of McKinley in their next game, 10-3. They have a crowded schedule ahead but the boys hope to fare better as the season progresses.

Track

As the first signs of spring approached, the Soldan-Blewett Track Team, under the direction of Coach Hatfield, began to practice and condition themselves for the coming season.

After seeing them compete in time-trials, Coach Hatfield cut the squad of hard working athletes to a workable size. With the opening of the track season just around the corner, the Tigers eagerly awaited their first meet. Inclement weather caused the postponement of the early dual meets on the schedule, but the cindermen continued their work-outs while hoping for better weather conditions.

At the close of the season the Bengals will compete with the other Public High League squads in what is considered the zenith of racing, the Field Day Track Meet. With several returning lettermen, the Tigers have an excellent chance of making a fine name for themselves.

ON THE BALL

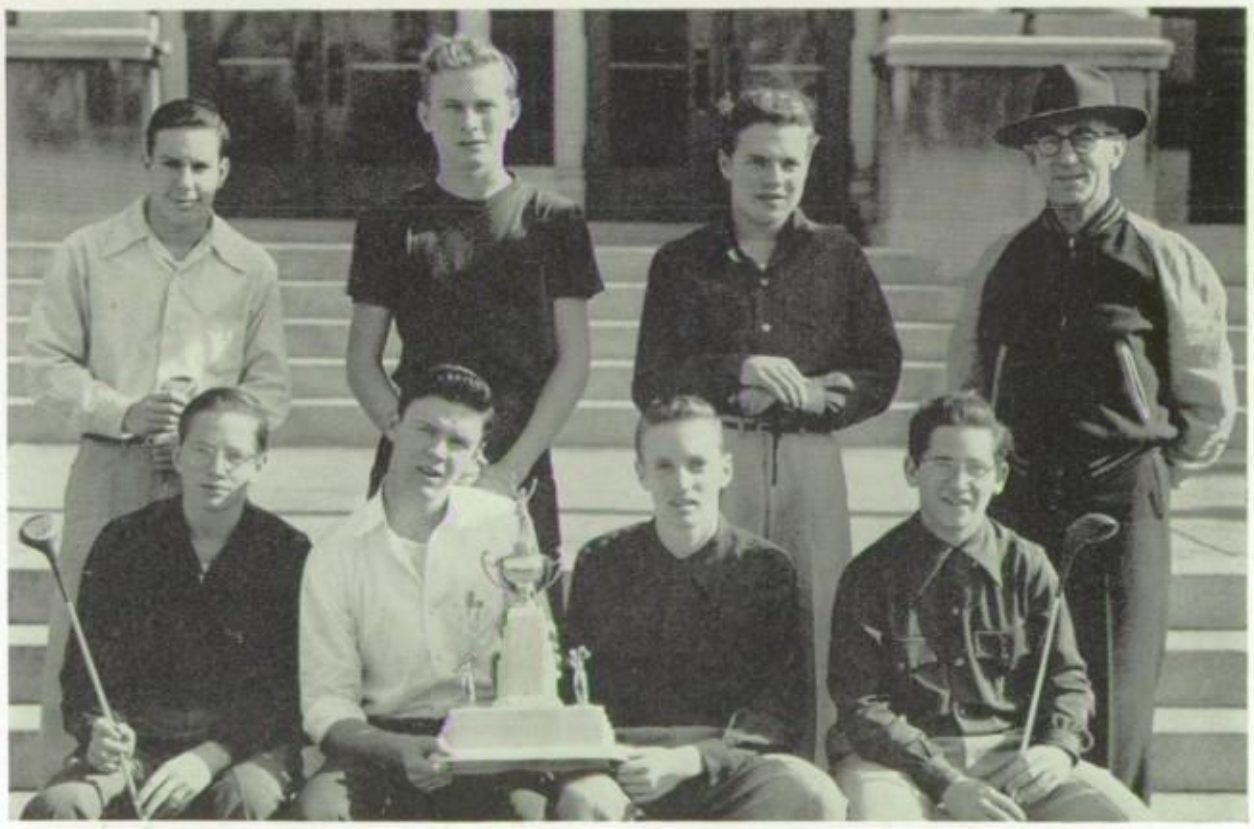
FIRST ROW: Mohrman, R., Meisenberg, Pashos, Bianchi, Greenberg, Barnes, Mohrman, D., Suchart, Manager. SECOND ROW: Bach, Williams, Siegel, Monaghan, Mahan, Smith, Burton, Hitt. THIRD ROW: Wilson, W., Shannon, Darrow, Spence, Becker, Ball, McCormick, Weber, Harmon. FOURTH ROW: Ass't. Coach, McEachron, Mullen, Wotawa, Dewhirst, Rothman, Weiner, Benkelman, Gardner, Wilson, H., Mayer, Coach Hatfield.

After a two-year lapse, the Soldan-Blewett Golf Team was newly organized under the capable leadership of Mr. Plag. The team entered the Public High School League and in the 1950 season proceeded to win the championship in the thirty-six hole tournament. A series of matches outside the league was scheduled in which Soldan-Blewett did well. Near the close of the season, the team entered the District High School tournament and placed fifth in the city under stiff competition.

The Golf Team is getting ready for this year's tournaments and the chances look very good. The whole team is returning for another season. The following boys received letters: Dick Rosenthal, Captain; Jack Parnell; Paul Gallant; Bill Mathews; Sheldon Baron; and Stuart Kaufman.

Golf

FIRST ROW: Sax, Parnell, Rosenthal, Gallant. SECOND ROW: Kaufman, Mathews, Baron, Mr. Plag.



Tennis

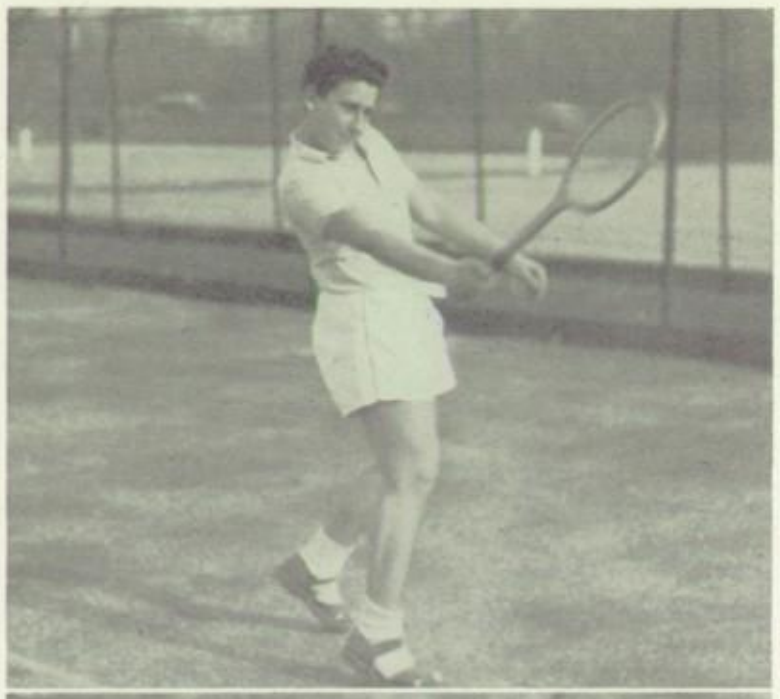
The Soldan-Blewett Tennis Team, under the able supervision of Mr. Plag, entered the league with but two returning lettermen, Stanley Goldstein and Mike Levin.

The netmen opened their season by shading a fighting Southwest squad 3-2 and followed this win by crushing Cleveland 5-0. Central bowed 5-0 and Roosevelt fell in line by absorbing a 3-2 loss. The next three matches were played after postponements due to heavy rain.

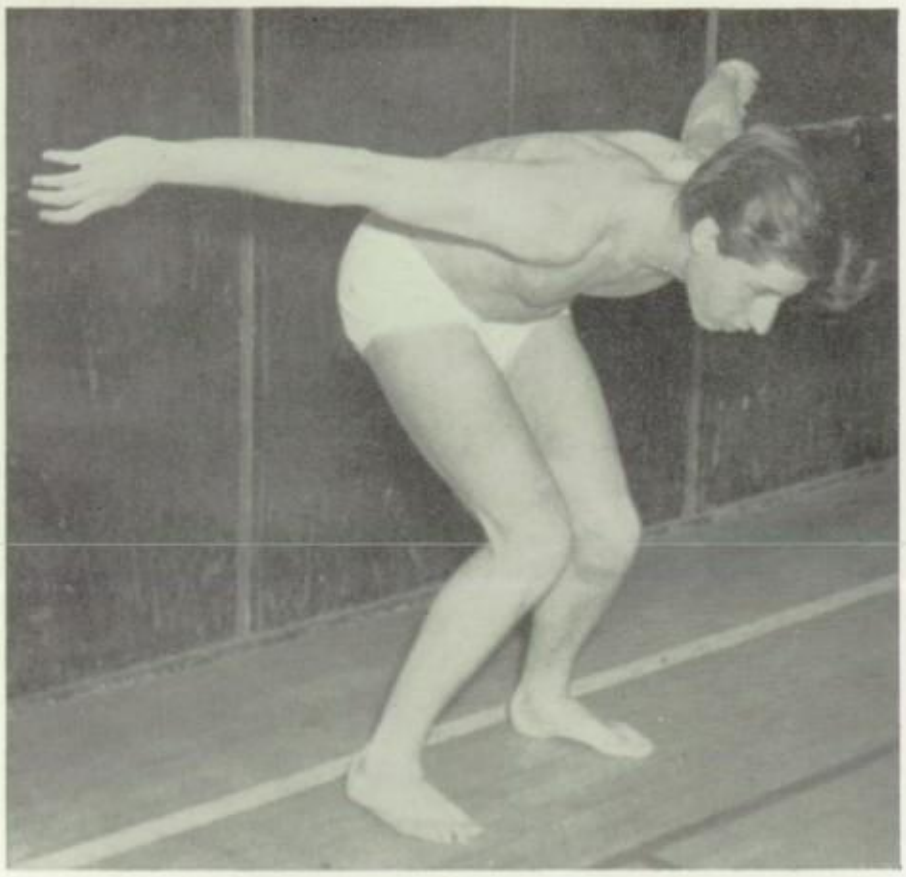
The Tiger squad trounced McKinley 5-0 and then defeated Hadley by the same score. Beaumont was the only team able to put the brakes on us and pushed the Tiger netmen out of first place by winning 4-1. Soldan-Blewett finished in second place with a mark of 27 wins and 8 losses.

The team was composed of: Stanley Goldstein, first singles; Jim Westmoreland, second singles; Mike Levin, third singles; Ron Harmon and Van Westfall, first doubles; and Dave Mahan and Sanford Astor, second doubles. The alternates were: Larry Rubin, singles; and Bill Tragos and Don Robb, doubles.

All the members of the regular team received letters for the fine showing they made.



FIRST ROW: Astor, Levin, Westmoreland, Goldstein, Westfall. SECOND ROW: Mr. Plag, Tragos, Robb, Harmon, Mahan, Rubin.



SOMETHING'S FISHY

Swimming

The Soldan-Blewett Swimming Team, coached by Mr. Ray Cliffe started this season with only three lettermen returning from the past season. They were Irwin Sorkin, Gene Pollien, and Co-Captain Leo Pashos. The team showed great enthusiasm, but lack of sufficient practice and inexperience proved too great for the twenty boys that finished the season. This will be remedied next year by the contracting of additional days of practice at the Y.M.H.A. pool.

The boys were completely outclassed in the dual meets but showed fairly good strength in the Relay Carnival held at Washington University. A second place in the 300 yard Medley Relay and a third place in the 600 yard Individual Medley Relay made up the points for the Tigers.

The most surprising prospects of the season were Bill Hite, who was second in point scoring and who should be the stalwart of next year's team; backstrokers Wayne Stevens and Bernie Siegel; Bob Tamin, swimming the middle distances; and Dick Fisher, who did the diving. Captain Leo Pashos, lettering for his fourth year, won high point honors and placed fifth in the breaststroke event in the State Meet for the Bengal's only qualifier.

FIRST ROW: Bulger, Maginn, Fisher, Schaap, Migdall. SECOND ROW: Hite, Ball, Buckley, Wilson, Levine, Rothman. THIRD ROW: Poger, Taminn, Kincade, Pashos, Capt., Stevens, Siegel, Sorkin, Mr. Cliffe, Coach.

Gym Team

The Soldan-Blewett Gym Team, under the watchful eye of Coach Plag, has shown very encouraging signs of a championship team this year. The Bengals have won all of their three dual meets, beating Beaumont twice by the scores of 213-203 and 375-361, and Hadley once 292-282.

The team was very hopeful when practice started early in October having eight returning lettermen who were Bill Ballard, Ed Indelicato, Tom Jones, Dave Londe, Darrell Long, Wally Orsech, Bob Ruesing and Ken Stone.

The first meet of the year was the North-Side Y.M.C.A. Invitational Meet. The Tigers made a fine showing, placing third only a few points behind first place Beaumont.

The team improved as the year rolled on and the Tigers were at full strength by the time of the City Gymnastic Meet. They have excellent opportunities to display their skills by their participation in this meet and also the Ozark A.A.U. Meet.

PYRAMID

G.A.A.

The Girls' Athletic Associaion is the principal sports' organization for girls at Soldan-Blewett. The club teaches co-operation, good sportsmanship, co-ordination, an appreciation of sports, and provides one afternoon each week of good wholesome fun for active girls.

G.A.A. members earn letters by a point system. Five hundred points earns a small letter and a large letter is received after 1,000 points have been acquired. Members can earn points toward their letters by placing in the various competitive tests and by participating in the many tournaments held each term. The highest honor the organization bestows is a gold G.A.A. pin. To receive one a girl must be an active member a full year after she earns her large letter, must pass a physical examination, and must be a good citizen of the school.

During the fall term, volleyball is the main activity. Basketball prevails through the winter, and the girls challenge spring fever by holding softball tournaments. Table tennis, badminton, and aerial darts are played throughout the year.

MUSCLES

Gym Club

The Gym Club was started in 1913 by Dr. Otto Koenig with the motto "A strong mind in a strong body." It was taken over by Mr. Plag in 1939 after Dr. Koenig's death. The club has enjoyed continued success throughout its existence.

The purpose of the club is to develop its members physically and to choose the best from these boys to represent the school in the various dual meets and the Interscholastic and Ozark A.A.U. Meets. The boys work out on the horizontal bar, parallel bars, mats, side-horse, long-horse, and rings.

Unlike other sports, gymnastics is practiced the year round. The members work out every morning and occasionally after school. Some of them practice a few nights a week at the Y.M.C.A. also.

Cheer Leaders

Behind the scenes of almost every athletic event is a group of students who aid in promoting school spirit. The cheerleaders put much time into the practice of old and new cheers. To cheer the team on to victory is their goal, but regardless of the outcome, the cheerleaders are always there to lead the crowd in spirited yells.

At the beginning of the new term last September several new members were added to the squad. The new recruits, together with the three returning members, have done a fine and outstanding job on the field and court.

The regular members of the 1950-1951 squad were: Sheila Kalish, Captain; Ryna Averbuch; Joanne Fletcher; Betty Galansky; Donna Johnson; Reva Katz; Bill Tragos; and Jerry Trupiano. The alternates were: Janice Cooper; Bonnie Morgan; Marian Pasalqua; and Marvin Picker.

FEATURES

There are many aspects of school life that cannot be described by mere words in print. Only the eye of the camera can enable these most memorable activities to live in your mind in the future. Little did you realize that the roving camera was present at the various athletic events, the senior parties, or just along the halls. We have attempted to capture but a few glimpses of that side of your high school days that means so much towards a well-rounded education.
